## **Company K**

### **Membership Requirements**

- 1. Recruits will be given a packet of documents to complete. All forms must be signed and returned to be approved for membership.**
- 2. Crew training will be provided by the officer in charge and must be attended before being allowed to participate on the gun.**
- 3. All members must pay dues. The dues will be collected on the date of recruitment and on the anniversary date thereafter. Membership dues are \$25 annually per individual 16 years and older that will participate on the gun. Membership dues as a civilian are \$10 annually per individual 16 years or older.**
- 4. Members are encouraged to participate in all events attended by our gun, but required to attend three (3) events per year. Members who have not attended the minimum number of events will be deemed inactive and removed from the active roster.**
- 5. Officers and NCO's are held to a higher standard as far as attendance is concerned, and to keep their standing in the battery must attend at least six (6) events per year. The exception being the gun did not attend six (6) events. Officers and NCO's who have not attended the minimum number of events will be deemed inactive and removed from the active roster.**
- 6. Each member will be appointed to a position on the gun prior to the battle. In the event there are not enough or too many members to participate, the officer in charge will make the necessary arrangements for the day's battle.**
- 7. Operation of the gun is a serious task and should be respected. Any member not taking their duties seriously will be pulled from the gun.**
- 8. Members will be responsible for registration fees, transportation, providing all period correct uniforms and civilian attire, rations and camping equipment for themselves and family. An area will be designed for each company to set up camp.**
